MISSION STATEMENT

The mission of Old Fort Local Schools is to provide every student with the knowledge and skills needed to successfully pursue his/her life goals.

Nondiscrimination

The Board of Education will not permit discriminatory practices. To assure compliance with this policy the Board will:

1. Promote the rights and responsibilities of individuals as set forth in the state and federal constitutions, pertinent legislation and applicable judicial interpretations;
2. Encourage positive experiences for children, youth and adults;
3. Work toward a more integrated society and enlist the support of individuals, as well as private and governmental groups and agencies, in such an effort.
4. Use communication and action techniques to aid and reduce the grievances of individuals and groups;
5. Consider the potential benefits or adverse consequences that the Board's decisions might have on the human relations aspects of the school community, and
6. Initiate a process of reviewing policies and practices of this school system in order to help achieve the objectives of this statement.

The Board's policy of nondiscrimination will extend to students, staff, job applicants, the general public and individuals with whom it does business, and will apply to race, national origin, citizenship status, religion, sex, economic status, age, handicap and other human differences. If you believe you have been discriminated against see the principal or guidance counselor for the grievance procedure.

SCHOOL SONG

We are here to cheer for Old Fort,
Proud as we can be.
See our brown and gold go flying
On to victory, RAH! RAH! RAH!
We are sports if we lose or win
You can tell that when we begin.
Rah, Rah for Old Fort School,
Marching onward to victory.

FIGHT SONG

Onward Old Fort, onward Old Fort,
Fight with all your might.
Show your vigor, show your spirit,
Show that you're all right
Rah, Rah, Rah.
Onward Old Fort, onward Old Fort,
Fight on for your fame.
Fight Old Fort, fight and we will
Win this game.

THE STAR SPANGLED BANNER

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming.
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming.
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave

CREDIT FLEXIBILITY

A more detailed explanation of Old Fort’s Credit Flexibility procedure must be obtained from either the building principal or guidance counselor. Following is some general information:

1. There is no cap or limit to the number of courses or credits earned through Credit Flexibility. A student receiving credit via credit flexibility must still meet all the graduation requirements in order to be awarded a diploma.
2. Testing-Out
 - a. To test-out of any course for the following school year, the request must be made on the appropriate form (available in either the guidance office or high school office) and submitted to the building Principal by April 1.
 - b. To test-out of any year-long course for the second semester of a school year, the request must be made on the appropriate form (available in either the guidance office or high school office) and submitted to the building Principal by October 1.

A student who does not complete the testing-out requirements may appeal, in writing, to the building Principal for a 30-day extension.

3. On-line Courses
 - a. In order for any on-line course to be considered for credit it must be pre-approved by the building Principal. The building Principal's decision may be appealed, in writing, to the Superintendent.
 - b. A student may participate in on-line course(s) during the school day. Any fees associated with any on-line course are the responsibility of the student. Computer access will be granted to a student for on-line learning during his/her scheduled study hall.
 - c. The grade achieved through on-line coursework that occurs during the school day will appear on a student's transcript and impact his/her class rank. On-line learning completed exclusively outside of the school day may be submitted to the school for inclusion on the student's transcript.
 - d. It is expected that courses completed on-line are exclusively the work of the enrolled student.
4. Educational Options
 - a. Other educational option requests of the school to grant credit must be submitted, in writing, to the Principal prior to the curricular-related activity. The building Principal's decision may be appealed, in writing, to the Superintendent.
 - b. If the request is approved, the building Principal, in consultation with the student, an appropriate classroom teacher and guidance counselor, will determine the learning outcomes, the method of assessment, deadlines, and Carnegie unit credit equivalency. Each of the previous elements will be used in developing a personalized learning plan.
 - c. Each request of the school will be evaluated on its own merit.
 - d. The building Principal will evaluate the assessment(s) along with the learning outcomes and personalized learning plan and then issue the grade. A student must receive a grade of 'C' (80%) or above on the assessment(s) in order to be awarded the equivalent credit.
 - e. Credit may be awarded as an elective credit, as a core credit, or a combination of both.
5. A student may not receive academic credit for participation in Old Fort High School extra-curricular activities including but not limited to clubs, band, and athletics.
6. The Ohio High School Athletic Association bylaw governing student eligibility will be consulted prior to determining the eligibility of a student participating in Credit Flexibility.

EARLY GRADUATION POLICY

Course offerings at Old Fort High School are designed to prepare the student for graduation upon successful completion of four (4) years of state and local requirements. Since Old Fort is a sequential four year (4) high school, it is highly recommended that students attend all four (4) years (eight semesters).

A student, regardless of age, who desires to complete his/her graduation requirements prior to the eighth semester, must follow the procedures listed below.

1. Apply in writing to the guidance counselor:
 - a. For graduation at the end of the sixth semester (junior year), the application should be submitted during the fifth semester with deadline extending to February 15.
 - b. For graduation at the end of the seventh semester (senior year), the application should be submitted during the sixth semester with the deadline extending to June 15.
2. Meet with the guidance counselor, high school principal, and his/her parents following receipt of the application to discuss:
 - a. Reasons for request.
 - b. Future plans and goals.
 - c. Problems that might be encountered due to and following a granted early graduation.
3. Students requesting to graduate early must not exceed the units of credit criteria listed below:
 - a. All units of credit may be from Old Fort High School or another accredited high school (normal school year credits).
 - b. Summer school credits – As approved by building Principal
 - c. Correspondence school credits – limited to one (1) unit during the student's high school career.
 - d. Tutoring credits – As approved by building Principal
4. Students must understand that the following regulations are in effect if early graduation is granted.
 - a. Certain year-long courses require the full year before credit is earned. (Example: Vanguard students)
 - b. Students should take courses in the proper sequence.
 - c. Students will be allowed to participate in school affairs, banquets, dances and other activities as long as they follow Old Fort High School Code of Conduct.
 - d. The student may participate in commencement exercises if he or she desires. The decision to do so must be made upon completion of required course work.

Once the above procedure has been followed satisfactorily, the name of the student will be submitted to the Board of Education for their approval at their next regularly scheduled meeting.

COMMENCEMENT

Commencement will be held May 27, 2018, at 3:00 P.M. at Old Fort High School. According to Board regulations, no student will be permitted to graduate or to participate in the Commencement exercise without first having fulfilled the requirements for graduation established by the State Department of Education and Old Fort Local Board of Education. All students must attend graduation practice in order to participate in graduation ceremonies. Students may be excused from participation in rehearsal due to extenuating circumstances with permission of the high school principal. School sponsored cap and gown is the official dress for graduation except for the sashes and/or cords for honors awards.

The graduation ceremony is a privilege not a right. Specific guidelines will be distributed to seniors prior to graduation. A student may be denied participation in the ceremony due to academic and/or testing deficiencies and violation of the Student Discipline Code. **All fines and/or fees that are due must be paid prior to practice for Commencement.**

WIRELESS COMMUNICATION DEVICES

During the school year, students of Old Fort High School will be able to use their privately owned technology to access the Old Fort wireless network. **Use of personal devices in the classroom and on specific projects is for school use only or at the**

discretion of the teacher/supervisor. Students may possess wireless communication devices (WCDs) in school, on school property, during after school activities (e.g. extra-curricular activities) and at school-related functions, provided that during school hours and on school vehicles the WCDs are powered completely off (i.e. not just placed into vibrate or silent mode) and concealed and secured in hall lockers (but not locker room lockers) or vehicles, or stored out of sight.

A "wireless communication device" is a device that emits an audible signal, vibrates, displays a message, or otherwise summons or delivers a communication to the possessor. The following devices are examples of WCDs: cellular and wireless telephones, pagers/beepers, Blackberries/Smartphones, Wi-Fi-enabled or broadband access devices, two-way radios or video broadcasting devices, laptops, and other devices that allow a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information. Students may not use WCDs on school property to access and/or view Internet websites that are otherwise blocked to students at school.

Also, during after school activities when directed by the administrator or sponsor, WCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight.

Students are prohibited from using WCDs to capture, record or transmit the words (i.e. audio) and/or images (i.e. pictures/video) of any student, staff member or other person in the school or while attending a school-related activity, without prior notice and explicit consent for the capture, recording or transmission of such words or images. Using a WCD to take or transmit audio and/or pictures/video of an individual without his/her consent is considered an invasion of privacy and is not permitted, unless authorized by the building principal. Students who violate this provision and/or use a WCD to violate the privacy rights of another person may have their WCD confiscated and held until the end of the school year.

WCDs, including but not limited to those with cameras, may not be possessed, activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, shower facilities, restrooms, classrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The building principal has authority to make determinations as to other specific locations and situations where possession of a WCD is absolutely prohibited.

No expectation of confidentiality will exist in the use of WCDs on school premises/property.

Students are prohibited from using a WCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. See Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior.

Students are also prohibited from using a WCD to capture and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using their WCDs to receive such information.

Possession of a WCD by a student is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise engages in misuse of this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the WCD. The building principal may also refer the matter to law enforcement if the violation involves illegal activity (e.g. child pornography). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the WCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed. Any WCD confiscated by District staff will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent/guardian. WCDs in District custody will not be searched or otherwise tampered with unless school officials reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules.

Any search will be conducted in accordance with Policy 5771 – Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a WCD to school for a designated length of time or on a permanent basis.

A person who discovers a student in possession of or using a WCD in violation of this policy is required to report the violation to the building principal.

Students are personally and solely responsible for the care and security of their WCDs. The Board assumes no responsibility for theft, loss, damage, or vandalism to WCDs brought onto its property, or the unauthorized use of such devices.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. With school employee permission, students may use school phones to contact parents/guardians during the school day.

Using a cellular telephone, WCD or other ECD in an unauthorized manner or in violation of the policy, will result in the following disciplinary action (offenses accumulate throughout the school year):

- | | |
|-------------------------|---|
| 1 st offense | Device returned to the student at the end of the school day. |
| 2 nd offense | Device must be picked up by the parent of the student. |
| 3 rd offense | Device will be placed in a secured area for the remainder of the semester and will be released to the parent of the student. |
| 4 th offense | Device will be placed in a secured area for the remainder of the school year and will be released to the parent of the student. |

Any disciplinary action will be based upon the offender's previous offense(s) even if the device is owned by another (for example, if student A has a device confiscated for a 3rd offense and the device is owned by student B, then the device will be placed in a secured area for the remainder of the semester even if student B has no offenses). Referral to law enforcement will be made if the violation involves an illegal activity (e.g. child pornography). A student is responsible for the use of their cellular telephone or ECD, even if the device is used by another student. Contents of cell phones may be searched if there exists reasonable suspicion that it may have been used in an activity prohibited by the Code of Conduct.

CURRICULAR ACTIVITIES

These activities are those which are included in the curriculum, i.e., course of study adopted by the Board of Education and approved by the State Department of Education and for which credit is given. The following activities are recognized as curricular in Old Fort School:

- Band, Marching Activities, Chorus
- Future Farmers of America (FFA)

POLICIES OF EXTRA-CURRICULAR ACTIVITIES

Old Fort School recognizes the value of extra-curricular activities for its students to give enrichment to the curricular program and to provide students with responsibilities and activities outside the regularly scheduled day in the classroom. Another important value is to increase school spirit and participation.

This handbook of extra-curricular activities is designed to set general policies. However, individual clubs or groups may need to have more stringent policies depending on their nature. Policies must be documented by the advisor of the particular group. Policies developed by groups may not be less stringent than handbook policies.

All clubs should have a constitution and by-laws, which must be approved by the Board of Education.

Most clubs and organizations meet after school or in the evenings.

No extra-curricular activity other than games is to be scheduled after 6:30 p.m. on Wednesdays.

EXTRA-CURRICULAR ACTIVITIES

Extra-Curricular activities are those activities not included in the regular course of study and for which no credit is given. The following activities are recognized as extra-curricular in Old Fort School:

Sports
Class Plays and/or Musical
Officers of Band or Chorus
National Honor Society
Student Council

Class officers
Art Club
Quiz Bowl Team
Science Club

** To participate in an extra-curricular activity the student and parent/guardian must have agreed to and signed a random drug testing release form.

STUDENT CONDUCT/ACTIVITIES

Any time a student is wearing the uniform of Old Fort High School, he/she is the direct representative of the school; therefore, he/she is expected to display proper conduct.

A student is expected to maintain average grades in all subjects, be a good school citizen, be cooperative with faculty and staff members and to be in school and classes regularly. At the discretion of the advisor, certain rules may be established.

To be eligible to participate in any of the above activities, a student must be in attendance for two (2) afternoon periods unless excused by the office in advance.

Old Fort High School will reserve the right to remove any student from active participation should the administration feel his/her personal, social, or academic behavior is in question.

DANCES

All school rules apply to those in attendance at all dances sponsored by Old Fort. Violation of these rules will result in the Old Fort student (and guest, if applicable) being removed from the dance and their parents being notified.

For the safety and security of Old Fort High School students and guests, we require that our students bringing a guest to a school-sponsored dance from outside the school complete a "Dance Guest Form" and return it to the high school office at least one day in advance of the dance.

In addition to school rules, the following items apply for each dance:

1. Old Fort High School students are permitted to bring one (1) guest of high school status. Guests that have graduated from high school are permitted to attend special events such as Prom or Homecoming. Guests who are 20 or older will not be admitted.
2. Old Fort Junior High School students are not permitted to bring guests who do not attend Old Fort to any dance.
3. When a student brings a guest, he/she is expected to accompany the guest throughout the evening. If either the student or the guest leaves the dance early then the other individual will be required to leave also.
4. No guest will be admitted the night of the dance without a "Dance Guest Form" being on file.
5. No guest will be admitted if he/she is a high school dropout.
6. Students and guests arriving late may be denied admission.
7. Upon arrival at the dance, students and guests must enter the building and remain inside until they leave the dance.
8. Each guest may be asked to show his/her driver's license or ID prior to admittance.
9. Once a student and his/her guest have left the location of the dance, they will not be permitted to return.
10. There will be no smoking at the location of the dance or on school grounds.
11. Any student or guest shall not possess, use, transmit, sell or be under the influence of any drug or alcoholic beverage of any kind before the dance, during the dance, at the location of the dance, or on school property.
12. The Old Fort school staff or administration reserves the right to remove any student and/or guest from the dance, the location of the dance, or from school property.

13. The administration reserves the right to deny entrance to any student and/or guest.
14. It is understood that attendance at a dance sponsored by Old Fort High School is a privilege and not a right.
15. It is understood that law enforcement officials and/or school officials will enforce these rules, regulations, policies, and procedures.
16. Additions or exceptions to these guidelines may be made at the discretion of the Principal.

ACADEMIC ELIGIBILITY FOR ACTIVITIES

1. Eligibility rules are applicable for students in grades 7-12 participating in extra-curricular and athletic activities. CCP Courses on or off campus are included within all eligibility.
2. Grades are checked weekly beginning at mid-term and continuing each week to the end of the nine-weeks. Students must maintain a GPA of 1.4 or above and have no more than one F to be eligible for participation in extra-curricular activities. Semester average and yearly average have no effect on eligibility.
3. When an athlete is ruled ineligible for a week, the athlete may practice but may **not** travel with the team, dress for a contest, or participate in a contest during the week of ineligibility.
4. Students are ineligible for one week (MONDAY through SUNDAY) if the above standards are not met from midterm on to the end of the nine-week grading period.
5. A student becomes eligible to participate in the next week or any ensuing week when the above standards are met and maintained.
6. Students under out-of-school or in-school suspension will not be allowed to participate in any extra-curricular activity until the day following the last day of suspension.
7. Students ineligible for the nine-week period may begin practicing two weeks before the end of the of the nine-week period if the student has all passing grades and a C and D average in all subject areas. (A student with all D's would not be eligible because their GPA would be below a 1.4)
8. According to The Ohio High School Athletic Association (Bylaw 4-4-1), in order to be eligible in grades 9-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. Furthermore, during the preceding grading period, the student must have received passing grades in a minimum of five (5) one-credit courses or the equivalent, each of which counts toward graduation.
9. According to The Ohio High School Athletic Association (Bylaw 4-4-5), a student enrolling in the seventh grade for the first time will be eligible for the first grading period regardless of previous academic achievement. Thereafter, in order to be eligible, a student in grade 7 or 8 must be currently enrolled and must have been enrolled in school the immediately preceding grading period and received passing grades during that grading period in a minimum of five of those subjects in which the student received grades.
10. At the end of the nine-week grading period, a student-athlete will be determined ineligible if:
 - o his/her grade point average is less than 1.4 and/or

ADMINISTRATIVE PROCEDURES

1. In the event a student is declared ineligible, the coach and student will be notified. An eligibility sheet will be distributed to the coach.
2. Eligibility standards will be reviewed annually as directed by the superintendent. Any necessary revisions will be proposed to the Board of Education.
3. The eligibility standards will be effective for the ensuing years or until such time as they are modified; i.e., the last nine weeks grades will be used to determine eligibility for extra-curricular activities for the first nine weeks of the next school year.

A student who checks in at the high school office and receives permission from an administrator may be permitted in the building prior to 3:00 P.M.

GUIDANCE SERVICES

The Old Fort High School guidance function is to assist students in exploring their interests, abilities and aptitudes, and aid them in achieving maturity and adjusting to life situations. Guidance counselors do not solve problems; they help individuals help themselves.

Students who would like to see a counselor for any reason should report to the Guidance Office before school or between classes to schedule an appointment. If they have an emergency problem, they will be seen immediately. For routine matters, appointments will be scheduled during study halls or with the permission of academic teachers. Parents who wish to speak with a counselor regarding their student are encouraged to call the Guidance Office to schedule an appointment.

HALL PERMITS

Students must carry their agenda book in order to receive permission for a hall pass. There is a section in the agenda book where the teacher or administrator must sign. If permission is not secured through the agenda book, the student should not be in the hall, and will be considered truant.

HOMECOMING

Traditions are an important part of life at Old Fort High School. Therefore, guidelines for Homecoming should establish high standards for these activities. It will be the Student Council advisor's responsibility to verify eligibility.

LOCKERS (STUDENT)

Lockers will be assigned. Each student will be assigned a separate locker; you should not share your locker or the combination with any other student. Students are strongly encouraged to use lock on their lockers.

Although school authorities will respect the rights of students in their locker and property, student lockers, desks, cabinets, and similar property are the property of the Old Fort Board of Education provided to students as a convenience for their use. Lockers and other such property carry no expectation of privacy for the student who occupies them. School lockers, desks, cabinets, etc. and their contents are subject to search by school authorities at any time and without warning. **Students are reminded that for the safety of the contents, it is important to keep your lockers locked at all times.** These regulations cover the lockers in the physical education area as well as the hall lockers.

LOST AND FOUND

There is a "Lost & Found" box in the office. Students should check periodically with the office to see if the lost article has been turned in.

MEDICINES, ADMINISTERING TO STUDENTS

Many students are able to attend school regularly only through effective use of medication in the treatment of disabilities or illnesses that do not hinder the health or welfare of others. If possible, all medication should be given by the parent(s) at home. If this is not possible, it is done in compliance with the following.

1. School personnel will administer medication after receiving a two-part form (*Request for the Administration of Prescribed/Non-Prescribed Medication at School*) that has been completed and signed by both the prescribing physician and the parents. Forms are required for all medications, including over-the-counter medications. The completed form is valid for the entire school year if medication is required on an as-needed basis. **Reminder: students are not to carry any type of medication on them (purses, pockets, book bags, in lockers) except asthma inhalers prescribed by a doctor. This includes over-the-counter medicines like Tylenol, Advil, aspirin, cough drops, etc.**
2. No employee who is authorized by the Board to administer a prescribed drug and who has a copy of the most recent statement is liable in civil damages for administering or failing to administer a drug, unless he/she acts in a manner which would constitute "gross negligence or wanton or reckless misconduct."
3. No person employed by the Board is required to administer a drug to a student except pursuant to requirements established under this policy. The Board shall not require an employee to administer a drug to a student if the employee objects, on the basis of religious convictions, to administering the drug.

Prescription Medications

1. The school nurse or appropriate person appointed by the Board supervises the secure and proper storage and dispensation of medications. The drug must be received in the container in which it was dispensed by the prescribing physician or others licensed to prescribe medication.
2. The school nurse or other designated individual must receive and retain a statement which complies with State law and is signed by the physician who prescribed the drug or other person licensed to prescribe medication.
3. The parent(s) must agree to submit a revised statement, signed by the physician or other licensed individual who prescribed the drug, to the nurse or other designated individual if any of the information originally provided by the physician or licensed individual changes.

Non-prescribed (Over-the-counter) Medications

1. No staff member will dispense non-prescribed, over-the-counter (OTC) medication to any student without prior parent authorization. Parents may authorize administration of a non-prescribed medication on forms that are

available from the high school office. Physician authorization is not required in such cases.

2. If a student is found using or possessing a non-prescribed medication without parent authorization, the student will be brought to the school office while the student's parents are contacted for authorization. The medication will be confiscated until written authorization is received.
3. Any student who distributes medication of any kind or who is found in possession of unauthorized medication is in violation of the School's Code of Conduct and will be disciplined in accordance with the drug-use provision of the code.

Inhalers for Asthma

Students have the right to possess and use a metered-dose inhaler or a dry-powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms. The right applies at school or at any activity, event or program sponsored by or in which the student's school is a participant.

In order for a student to possess the inhaler, he/she must have written approval from the student's physician and parent or other caretaker. The principal and/or the school nurse must have received copies of these required written approvals.

Epinephrine Auto injectors

Students are permitted to carry and use an epinephrine auto injector (epi-pen) to treat anaphylaxis (severe allergic reactions). The right to carry and use an epi-pen extends to any activity, event or program sponsored by the student's school or activity, event or program in which the school participates.

Student possession of an epi-pen is permitted only if the student has written approval from the prescriber of the medication and, if a minor, from his/her parent. Written approval must be on file with the principal and, if one is assigned, the school nurse. In addition, the principal or school nurse must receive a backup dose of the medication from the parent or student.

The prescriber's written approval must specify at least the following information.

1. student's name and address;
2. names and dose of the medication contained in the auto injector;
3. the date the administration of the medication is to begin and, if known, the date the administration of the medication is to cease;
4. acknowledgement that the prescriber has determined that the student is capable of possessing and using the epi-pen appropriately and has provided the student with training in the proper use of the epi-pen;
5. circumstances in which the epi-pen should be used;
6. written instruction that outline procedures school personnel should follow if the student is unable to administer the medication or the medication does not produce the expected relief from the student's anaphylaxis (allergic response);
7. any severe reaction that:
 - a. the student may experience that should be reported to the prescriber or
 - b. that may occur to another student for whom the medication is not prescribed, if that student receives a dose of the medication;
8. at least one emergency telephone number each for contacting the prescriber and the parent and
9. any other special instructions from the prescriber.

MISSING CHILDREN

The Old Fort Board of Education believes in the importance of trying to decrease the number of missing children. Therefore, efforts will be made to identify possible missing children and notify the proper adults or agencies.

A pupil, at the time of his/her initial entry to school, shall present to the person in charge of admission a copy of his/her certificate of birth and copies of those records pertaining to him/her maintained by the school that he/she most recently attended. If

the student does not present copies of the required documents, the principal shall notify the police department having jurisdiction in the area where the student resides of this fact and of the possibility that the student may be a missing child.

MUSICAL INSTRUMENTS – STORAGE

A space is provided for all musical instruments to be stored during the school day. The Old Fort Local Schools will not be responsible for musical instruments damaged, stolen, etc. when the instrument is left in the instrument room.

NATIONAL HONOR SOCIETY

The Stockader Chapter of the National Honor Society follows the guidelines set forth by the national organization.

Membership is open to sophomores, juniors, and seniors who have attended OFHS for at least one semester and have a cumulative grade point average of 3.25. Students academically eligible also need to have demonstrated outstanding performance in leadership, service, and character. Eligible students support their candidacy by completing the Student Activity Information Packet which must be signed by both student and parents.

Faculty Council evaluates potential members after semester grades and makes recommendation for membership. The advisor is not a voting member of the Faculty Council. However, the advisor will collect and warn students of academic and/or behavior concerns. Dismissals are based on the decisions of the Faculty Council, which will meet periodically as the need arises. For severe violations no warning is necessary. Once a member is dismissed, he/she is never eligible for membership again.

PERMANENT RECORDS

A Student's permanent record is a cumulative representation of achievement from grades one through twelve or as many years as they have spent in the Old Fort Local Schools. In addition to grades, the records show results of standardized achievement and College Board tests, as well as, attendance records. Information may be released only to other educational institutions and to those authorized to receive it through written release by the parent or the student if he/she is 18.

PRESIDENT'S AWARD FOR EDUCATIONAL EXCELLENCE

The President's Educational Awards Program, established by the Ohio Department of Education, replaces the Presidential Academic Fitness Awards.

Selection Criteria: This award was established to encourage students to achieve high academic standards by recognizing and rewarding them for educational excellence.

Grade Point Average: Students are to earn a grade point average of 3.5 on a 4.0 scale through the fall semester of the senior year.

Standardized Achievement Test: Achieve in the 85th percentile or higher in math or reading. (High School seniors may use college admission examinations such as the SAT or ACT.)

SCHEDULE CHANGE POLICY

Because students and their parents choose the courses for which students enroll, schedule changes should not be necessary. Following completion of the pre-registration process, schedule changes will only be made for schedule errors or change of a student's educational program. It will be required that parents schedule a conference with the counselor in order for a change of program to be made for anything other than failure of a prerequisite. This is done in an effort to reduce the great expenses associated with the construction of a student selected master schedule. **Classes dropped after the first week of a semester will have an "F" recorded on the permanent record.** Schedule changes must be approved by the principal. Note: Please refer to the course description book for further details.

SCHOOL EQUIPMENT, MATERIAL AND/OR SUPPLIES

School equipment, material and/or supplies furnished by the Board of Education are the property of the school and must remain within the building. Any student defacing

such property will be referred to the principal, and in addition to discipline, will be responsible for the financial replacement of property.

SCHOOL TRIPS (including athletic contests)

Students will be released after an event only to a parent or guardian, unless prior approval has been obtained from the principal. **Note: All school rules and regulations apply.**

SCHOOL VISITORS

It is the policy of the school not to encourage visitors other than parents of students. Authorized visitors must obtain a VISITOR'S PASS from the office. Friends or relatives enrolled in other schools may not visit classes at Old Fort while we are in session. All doors will be locked during school hours.

SENIOR CLASS TRIP

The senior class trip must be approved by the class advisor, the principal and the superintendent. It shall then be presented to the Board of Education for approval at the October board meeting. Monies earned by a student through class projects, activities and fundraisers are to go toward the senior trip. Money earned by a student who does not participate in the senior class trip may be donated to another student to pay the balance of that student's trip cost. Otherwise, money earned by a senior not going on the senior trip will remain in the senior class account and be used to help pay graduation expenses.

Students must earn 25% of the cost of their trip by participation in class fundraisers. A senior student who has received out-of-school suspension between the beginning of the school year and the day the students leave on the class trip may be denied participation on the class trip based on the seriousness of the suspension. The administration will be responsible for determining the seriousness of the offense and will make a final recommendation as to whether the student(s) will be allowed to participate. All funds earned by that student will be redistributed at the advisor's discretion in consultation with the building Principal. A student may also be denied participation in the class trip if he/she has accumulated an excessive number of absences or tardies. If a student does not go on their class trip, they are expected to be in school and not take another vacation at that time. Any absence by a senior student not on the class trip will be considered UNEXCUSED unless an excuse from a physician or the court is presented; these unexcused absences will also result in an in-school reassignment for each unexcused absence.

A senior student may only participate in one school-sponsored trip (i.e. a student may not participate in Old Fort's senior class trip AND a senior trip sponsored by a career center).

SENIOR CLASS DONATION

Each year, the senior class must conduct a vote, prior to graduation; to determine the disposal of any funds left after all class expenses have been paid. Such funds may only be used for class or school purposes. If the senior class fails to have this vote prior to graduation, the money will automatically revert to the general school activity fund. The principal and superintendent reserve the right to reject or question any disbursement.

SEARCH AND SEIZURE

Students possess the right of privacy of person as well as freedom from unreasonable search and seizure of property. This individual right, however, is balanced by the school's responsibility to protect the health, safety, and welfare of all students. Although school authorities will respect the rights of students in their locker and property, student lockers, desks, cabinets, and similar property are the property of the Old Fort Board of Education provided to students as a convenience for their use. Lockers and other such property carry no expectation of privacy for the students who occupy them, this includes: purses, book bags, camera phones, etc. School lockers,

desks, cabinets, etc. and their contents are subject to search by school authorities at any time and without warning.

School authorities are charged with the responsibility of safeguarding the safety and well being of the students in their care. In the discharge of that responsibility, school authorities may search the person or property, including vehicles, of a student with or without the student's consent, whenever they have reasonable grounds to suspect that the search is required to discover evidence of a violation of law or of school rules.

School officials are authorized to arrange for the use of a breath-test instrument for the purpose of determining if a student has consumed an alcoholic beverage.

The Old Fort Board of Education also authorizes the use of canines, trained in detecting the presence of drugs, when the school officials have reasonable suspicion that illegal drugs may be present in school. Canine detection must be conducted in collaboration with law enforcement authorities and is not to be used to search individual students unless a warrant has been obtained prior to the search.

A search in the absence of student notification may be made in cases where a suspected item(s) poses a clear and present danger to health and safety and the time required to notify would be crucial to the health and safety of people.

Items that may be used to disrupt or interfere with the educational process may be removed from a student's possession.

Search and seizure by law enforcement officers may be made on presentation of a search warrant describing the item(s) to be seized, or with the valid consent of the students, and/or parents or legal guardians who have been advised of their rights and of the legal consequences of the search. In the case of a student of legal age, valid consent shall be defined as consent given by the student.

STUDENT GROUPS

Student groups meeting in the school building or on the school grounds are limited to groups recognized as part of the school program. These groups must have a faculty sponsor and must have meetings calendared one week in advance. School officials have the authority to restrict or cancel any program, meeting, or activity that is a threat to the health and welfare of others or are a potential disturbance to the educational process.

STUDENT ORGANIZATIONS (GRADES 7-12)

Method of Organizing Groups and Conducting Business:

An organization is to elect a president, a vice-president, secretary, treasurer, and reporter. Each grade shall also elect a student council representative. No business shall be transacted without the approval of that group advisor. Correspondence or any written matter shall be signed or counter signed by the advisor. Agreements with outside entities must be initiated by the advisor. All activities must be approved by the administration. **All school-sponsored activities must be chaperoned by the Advisor or a School Board approved designee.** The principal must approve all moneymaking activities.

Elections of Class Officers:

The election of class officers will be held during May for the upcoming year. Prior to the class elections, applications will be given to students who wish to run for a class office. Candidates running for an office must complete applications and write a statement that will appear on the ballot. The class will vote for their officers. In the case of a tie, the class will revote for the top two candidates.

STUDENT PUBLICATIONS

Publications such as the yearbook, classroom projects, announcements, and other literary publications, including commencement addresses are connected to the overall school program and are subject to editorial control by the school district's administration.

WORK PERMIT REGULATIONS

1. Students must have a job before applying for a work permit.

2. Applications for work permits are available in the Main Office. For summer employment, it is best to acquire a work permit before the end of the school year. There is not a secretary in the office every day during the summer, therefore, please call ahead to be sure someone will be there to assist you if you need a work permit after school has dismissed for the summer.
3. Completed forms are to be presented to the school office where the permit will be processed.
4. In order to assure that a work permit can be submitted to the State of Ohio, you must give the **completed** work permit application to the office 3-4 days before you start to work.

Bullying is an intentional written, verbal or physical act that a student has exhibited toward another particular student more than once and the behavior causes both mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.

Permission, consent or assumption of risk by an individual subjected to hazing and/or bullying does not lessen the prohibition contained in this policy.

If students choose to use other means of transportation to get to school, it is their responsibility to be here on time. Students will be warned on their first three unexcused tardies to school. For the fourth tardy and all subsequent tardies following, the student will serve an after school detention. Excessive tardiness may result in some form of suspension. Students tardy to classes other than first period will be assigned a detention for each three (3) times tardy during a 9-week period. Students who open enroll and/or travel greater distances are not exempt from our tardy or attendance policy.

ABSENCES

Children between the ages of six (6) and eighteen (18) are compelled under Ohio law to attend school unless properly excused. In accordance with this and other applicable Ohio law and Ohio Board of Education standards, the following prescribes the manner in which any child may be excused for absence from school for good and sufficient reasons.

EXCUSED AND UNEXCUSED ABSENCES

Students are expected to be in regular attendance. The following are considered valid reasons for excused absence from school:

- Illness of student
- Serious illness in the home
- Quarantine of the home
- Observance of religious holidays
- Legal obligation
- Death in the family
- Extenuating circumstances deemed by the administration

Any student who is absent from school for all or any part of the day without a legitimate excuse shall be considered truant and the student and his/her parents shall be subject to the truancy laws of the State of Ohio. Students who are truant will not receive credit for the work missed during their truancy.

Absences or passes from school will be considered unexcused for such activities as (but not limited to): luncheons with parents or friends, leaving after or during an assembly, leaving from class or study hall during exam time, hair appointments, senior pictures, prom dress or tuxedo fittings and other non-emergency reasons. Truancy is defined as a student's absence from any portion of the school day without previous permission and knowledge of the parent/guardian, or principal.

Students who have reached the age of majority (18) must submit, like all other pupils, to all the normal rules and regulations of the school including the rules pertaining to regular school attendance. Failure of such students to comply with all normal rules and regulations of the school may be grounds for school officials to withdraw such pupil from school membership.

Parent(s)/guardian(s) must notify the school on the day a student is absent unless previous notification has been given in accordance with school procedure for excused absences. Parents are asked to call the high school office, 419-

992-4291, prior to 8:00 A.M. When a student returns to school the parent/guardian will provide a written note. If a note is forgotten, one day's grace period will be granted. After three days, if no note is provided, the absence will be considered unexcused.

Requests for release from school for professional appointments must be made in writing and must list the physician or dentist's name for all appointments. Students are expected to return to school if possible.

The principal or their designee is also required to notify a student's parents, custodial parent, guardian, legal custodian or other person responsible for him/her when the student is absent from school. The parent or other responsible person shall be notified by telephone or written notice shall be mailed on the same day that the student is absent. Parents or other responsible persons shall provide the school with their current home and/or work telephone numbers and home addresses, as well as emergency telephone numbers.

Seniors who have completed graduation requirements during the first semester and are officially enrolled for the second semester are required to attend school as required for all other students. Refusal to do so will result in: 1) failing grades for the second semester work; 2) removal from all senior end-of-year activities including scheduled trips; 3) possible removal from the graduation ceremonies.

In order to participate in extra-curricular activities, including games and practices, a student must be in school the day of the activity by 9:36 A.M. and remain in school the rest of the school day. The exception to this rule is if the student has a doctor's appointment, participating in a college visit (the student must bring a note to school from the physician or college) or an extenuating circumstance approved by administration. A student who is eighteen (18) years of age and older may not write his/her own excuse for an absence. Students arriving after 9:36 a.m. or leaving before 2:15 p.m. will be counted one half day absent.

TRUANCY AND EXCESSIVE ABSENCES

All absences accumulate from the beginning of the school year. The absence for any student who attends Old Fort for only ½ day will be equivalent to a full-day absence since all instruction is missed.

According to House Bill 410 excessive absences are defined below:

1. When a student is absent for 38 hours, excused or unexcused, the parent/guardian will receive a written notice.
2. When 65 hours of absence are accumulated, excused or unexcused, another written notice will be sent and a parental conference may be requested.
3. Any absence after the 65 hours must be accompanied by an excuse from a physician or from the court in the event of a legal proceeding. In addition, the Attendance Intervention Team will be selected to meet with the parent(s) and student to implement an intervention plan and determine the need for community resources.
4. If a student attains 130 hours, excused or unexcused, the student may be required to make up the excess absence with a properly licensed/certified tutor (one hour per class missed outside of the regular school day).
5. After ten (10) days of unexcused absence per semester, a student may fail the class.

According to House Bill 410 habitual truancy is defined below:

A compulsory age student is considered habitually truant from school when they have been absent without legitimate excuse (unexcused) for either 30 or more consecutive hours; 42 or more school hours in a month; 72 or more hours in a year.

When a student is considered habitually truant, the Attendance Intervention Team will be selected to meet with the parent(s) and student. After an intervention plan has been submitted and implemented and the student does not make progress on the plan within 61 days or unexcused for 30 or more consecutive hours or 42 or more hours in a month, the district will file a complaint in the juvenile court.

CAREER CENTER ATTENDANCE

When Vanguard and Sentinel are open and Old Fort is closed, and Old Fort does not provide transportation to the Career Center, a student is not required to attend unless the student has been issued a parking permit from Vanguard or Sentinel. If Old Fort does provide transportation to the Career Center, attendance is required. Students not in attendance will be given an unexcused absence. If the Career Center a student attends is closed and Old Fort is open, each afternoon Career Center student must attend his/her Old Fort classes in entirety.

PRE-PLANNED ABSENCES

For a family vacation:

1. Maximum total of five (5) days per school year may be granted.

When a student is absent from school for **two (2)** or more days, parents may contact the office and request the homework assignments for the period of absence. Please allow one (1) day for these assignments to be collected.

MAKE-UP WORK

The following conditions apply to the make-up of tests and other assignments missed during any absence – excused or unexcused.

1. When an absence falls within any one or more of the (6) categories described as **Excused Absence**, students may make up tests and assignments within a reasonable time limit provided arrangements for such make-up are **requested by the student** within two (2) school days of his/her return. IT IS THE STUDENT'S RESPONSIBILITY TO CONTACT THE TEACHER FOR THIS MAKE-UP

BUS RULES AND REGULATIONS

The safety of all pupils on our busses is of utmost importance. Every precaution must be taken to see that they arrive at their destination safely, efficiently, and economically. Bus driving is a difficult task and anything that happens on the bus to divert the driver's attention affects the safety of everyone on the bus. It is, therefore, absolutely necessary that students riding on the bus conduct themselves in the best manner possible. Your cooperation is earnestly solicited.

The Old Fort Board of Education, as part of the District's ongoing program to improve student discipline and ensure the health, welfare and safety of all those riding school transportation vehicles, shall utilize video cameras on a rotating basis on all school vehicles transporting students to and from curricular and extracurricular activities.

Video cameras will be used to monitor student behavior and may be used as evidence in student disciplinary proceedings. The videotapes are student records subject to school district confidentiality, board policy, and administrative regulations. The video cameras will also be used as instructive aids to district bus drivers to improve individual bus discipline, when warranted.

All busses will unload between the elementary and high school each morning.

Upon arrival at school, students are to exit and proceed directly into the school building. At the close of school, students will have approximately five (5) minutes after the dismissal bell to reach their bus. Students missing the bus must find their own transportation home.

The driver of the bus will have complete charge of the conduct of all students as they enter, leave, or ride his/her bus. Any persistent irregularity of any major act of improper conduct will result in referral to the principal for discipline.

Students will be expected to obey the following rules and regulations.

Each student must:

- 1. Not participate in any activity that draws the driver's attention away from safely operating the school bus.
- 2. Show respect to and obey the bus driver at all times.

Violation may also result in suspension and/or expulsion from school or bus privileges.

The following guidelines also apply to school bus transportation:

1. The bus driver may assign a seat to any student.
2. Parents are responsible for their child's conduct at the bus stop and will be liable for any damages done to the bus by their child.

4. School busses have the right away at all times on school property.

BUS PRIVILEGE SUSPENSION

STUDENT DISCIPLINE CODE

This code meets the intent of HB 421 which required each board of education to adopt a set of rules and regulations designed to maintain order and discipline necessary for effective learning. Following completion of assignments, the I.S.R. supervisor will return them to the office. Teachers will give appropriate credit for work completed. The student will receive no credit for work not completed.

Prior to the intended expulsion, the superintendent must enact the following procedures:

COMPUTER TECHNOLOGY AND NETWORKS

Acceptable User Policy

The District provides Internet services to its students. The District's Internet system has a limited educational purpose, and has not been established as a public access service or a public forum. Student use of the District's computers, network and Internet services/connection ("Network") are governed by the following principles and guidelines, and the Student Code of Conduct. Users have a limited privacy expectation in the content of their personal files and records of their online activity while on the Network.

Parents and students are advised that the Board may not be able to technologically limit access through the Board's Internet connection to only those services that have been authorized for the purpose of instruction, study and research related to the curriculum. Because it serves as a gateway to any publicly available file server in the world, the Internet opens classrooms and student to electronic information resources that have not been screened by educators for use by students of various ages. The District utilizes a Technology Protection Measure, which is a specific technology that will protect against (e.g., filter or block) access to visual displays/depictions that are obscene, pornographic, and materials that are harmful to minors, as defined by the Children's Internet Protection Act. At the discretion of the Board or the Superintendent, the Technology Protection Measure may be configured to protect against access to other material considered inappropriate for students to access.

The District further utilizes software and/or hardware to monitor online activity of students to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. Nevertheless, parents/guardians are advised that a determined user may be able to gain access to services on the Internet that are not authorized for educational purposes. In fact, it is impossible to guarantee students will not gain access through the Internet to information and communications that they and/or their parents/guardians may find inappropriate, offensive, objectionable or controversial. Parents/Guardians assume risks by consenting to allow their child to participate in the use of the Internet. Parents/Guardians of minors are responsible for setting and conveying the standards that their children should follow

when using the Internet. The District supports and respects each family's right to decide whether to apply for independent student access to the Internet.

Students are encouraged to use the "Network" for educational purposes. Use of the Network is a privilege, not a right. When using the Network, students must conduct themselves in a responsible, efficient, ethical, and legal manner. Students are responsible for good behavior on the District's computers/network and the Internet just as they are in classrooms, schools hallways, and other school premises and school sponsored events. Communications on the Internet are often public in nature. General school rules for behavior and communication apply. Unauthorized or inappropriate use of the Network, including any violation of these rules, may result in cancellation of the privilege, disciplinary action consistent with the Student Code of Conduct, and/or civil or criminal liability. Prior to accessing the Network, students must sign the Student Network and Internet Acceptable Use and Safety Agreement. Parent permission is required for minors. Parents are encouraged to discuss their values with their children so that students can make decisions regarding their use of the Network that is in accord with their personal and family values, in addition to the Board's standards.

Students must complete a mandatory training session/program **regarding the appropriate use of technology and online safety and security as specified in Policy 7540.03 – Student Network and Internet Acceptable Use and Safety** before being permitted to access the Network and/or being assigned an e-mail address.

Smooth operation of the Network relies upon users adhering to the following guidelines. The guidelines outlined below are not exhaustive but are provided so that users are aware of their general responsibilities.

- A. Students are responsible for their behavior and communication on the Network.
- B. Students may only access the Network by using their assigned Network account. Use of another person's account/address/password is prohibited. Students may not allow other users to utilize their account/address/password. Students may not go beyond their authorized access.
- C. Students may not intentionally seek information on, obtain copies of, or modify files, data or passwords belonging to other users, or misrepresent other users on the Network.
- D. Students may not use the Network to engage in "hacking" or other illegal activities (e.g., software pirating; intellectual property violations; engaging in slander, libel, or harassment; threatening the life or safety of another; stalking; transmission of obscene materials or child pornography; fraud; sale of illegal substances and goods).
- E. Transmission of any material in violation of any State or Federal law or regulation, or Board policy is prohibited.
- F. Any use of the Network for commercial purposes (e.g., purchasing or offering for sale personal products or services by students), advertising, or political lobbying is prohibited. This provision shall not limit the use of the Network by students for the purpose of communicating with elected representatives or expressing views on political issues. Use of the Network to engage in cyberbullying is prohibited.

"Cyberbullying" involves the use of information and communication technologies such as e-mail, cell phone and pager text messages, instant messaging (IM), defamatory personal Web sites or MYSpace accounts, and defamatory online personal polling Web sites, to support deliberate, repeated, and hostile behavior by an individual or group that is intended to harm others." For further information on cyberbullying, visit <http://www.cyberbullying.ca>

Cyberbullying includes, but is not limited to the following:

1. Posting slurs or rumors or other disparaging remarks about a student or school staff member on a web site or on weblog;
2. Sending email or instant messages that are mean or threatening, or so numerous as to drive up the victim's cell phone bill;
3. Using a camera phone to take and send embarrassing photographs/recordings of students or school staff members or post these images on video sharing sites such as YouTube;
4. Posting misleading or fake photographs of students or school staff members on web sites.

To the extent permitted by the First Amendment, instances of cyberbullying off school grounds that disrupt the school environment or interfere with the learning process will be considered violations of the Student Code of Conduct.

G. Students are expected to abide by the following generally-accepted rules of network etiquette:

1. Be polite, courteous, and respectful in your messages to others. Use language appropriate to school situations in any communications made through the Network. Do not use obscene, profane, lewd, vulgar, rude, inflammatory, sexually explicit, defamatory, threatening, abusive or disrespectful language in communications through the Network (including, but not limited to, public messages, private messages, and material posted on web pages).
2. Do not engage in personal attacks, including prejudicial or discriminatory attacks.
3. Do not harass another person. Harassment is persistently acting in a manner that distresses or annoys another person. If a student is told by a person to stop sending him/her messages, the student must stop.
4. Do not post information that, if acted upon, could cause damage or a danger of disruption.
5. Never reveal names, addresses, phone numbers, or passwords of yourself or other students, family members, teachers, administrators, or other staff members while communicating on the Internet. This prohibition includes, but is not limited to, disclosing personal identification information on commercial web sites.
6. Do not transmit pictures or other information that could be used to establish your identity without prior approval of a teacher.
7. Never agree to get together with someone you "meet" on-line without parent approval and participation.
8. Check e-mail frequently and diligently delete old mail on a regular basis from the personal mail directory to avoid excessive use of the electronic mail disk space.
9. Students should promptly disclose to their teacher or other school employee any message they receive that is inappropriate or makes them feel uncomfortable, especially any e-mail that contains pornography. Students should not delete such messages until instructed to do so by a staff member.

H. Malicious use of the Network to develop programs that harass other users or infiltrate a computer or computing system and/or damage the software components of a computer or computing system is prohibited. Students may not use the Network in such a way that would disrupt its use by others. Students must avoid intentionally wasting limited resources.

Students may not bypass or attempt to bypass the District's Technology Protection Measure. Students must immediately notify the teacher, principal, or designee if they identify a possible security problem. Students should not go looking for security problems, because this may be construed as an unlawful attempt to gain access.

- J. All communications and information accessible via the Internet should be assumed to be private property (i.e. copyrighted and/or trademarked). All Copyright issues regarding software, information, and attributions/acknowledgement of authorship must be respected. Rules against plagiarism will be enforced.
- K. Downloading of information onto the Board's hard drives is prohibited without prior approval from the teacher, principal, technology coordinator or superintendent. If a student transfers files from information services and electronic bulletin board services, the student must check the file with a virus-detection program before opening the file for use. Only public domain software may be downloaded. If a student transfers a file or software program that infects the Network with a virus and causes damage, the student will be liable for any and all repair costs to make the Network once again fully operational.
- L. Students must secure prior approval from a teacher or their designee before joining a Listserv (electronic mailing lists) and should not post personal messages on bulletin boards or "Listservs."
- M. Students may use real-time electronic communication, such as chat or instant messaging, only under the direct supervision of a teacher or in moderated environments that have been established to support educational activities and have been approved by the Board, superintendent or principal.
- N. Privacy in communication over the Internet and the Network is not guaranteed. In order to verify compliance with these guidelines, the Board reserves the right to monitor, review, and inspect any directories, files and/or message residing on or sent using the Network. Messages relating to or in support of illegal activities will be reported to the appropriate authorities.
- O. Use of the Internet and any information procured from the Internet is at the student's own risk. The Board makes no warranties of any kind; either expresses or implied that the functions or the services provided by or through the Network will be error-free or without defect. The Board is not responsible for any damage a user may suffer, including, but not limited to, loss of data, service interruptions, or exposure to inappropriate material or people. The Board is not responsible for the accuracy or quality of information obtained through the Internet. Information (including text, graphics, audio, video, etc.) from Internet sources used in student papers, reports, and projects should be cited the same as references to printed materials. The Board will not be responsible for financial obligations arising through the unauthorized use of the Network. Students or parents of students will indemnify and hold the Board harmless from any losses sustained as the result of misuse of the Network by the student. Use of the Network by students will be limited to those students whose parents have signed a release of claims for damages against the Board.
- P. File-sharing is strictly prohibited. Students are prohibited from downloading and/or installing file-sharing software or programs on the Network.

- Q. Since there is no central authority on the Internet, each site is responsible for its own users. Complaints received from other sites regarding any of the District's users will be fully investigated and disciplinary action will be taken as appropriate.
- R. Preservation of Resources and Priorities of Use: Computer resources are limited. Because space on disk drives and bandwidth across the lines which connect the Network (both internally and externally) are limited, neither programs nor information may be stored on the system without the permission of the school district. Each student is permitted reasonable space to store e-mail, web, and personal files. The Board reserves the right to require the purging of files in order to regain disk space. Students who require access to the Network for class or instruction-related activities have priority over other users. Students not using the Network for class-related activities may be "bumped" by any student requiring access for class or instruction-related purpose. The following hierarchy will prevail in governing access to the Network:
1. Class work, assigned and supervised by a staff member.
 2. Class work, specifically assigned but independently conducted.
 3. Personal Correspondence (checking, composing, and sending Email)
 4. Training (use of such programs as typing tutors, etc.)
 5. Personal discovery ("surfing the Internet").
 5. Other uses – access to resources for "other uses" may be further limited during the school day at the discretion of the principal or superintendent or their designee.
- S. Game playing is only allowed with permission from the teacher.

TRANSMISSION OF RECORDS AND OTHER COMMUNICATIONS

Parents/Guardians have to complete and return to the District Form 8330 F4a in order to authorize the staff to communicate with the parent/guardian via facsimile and/or electronic mail ("e-mail"). Parents who elect to communicate with a staff member via e-mail are required to keep the District informed of any changes to their e-mail address.

STUDENT ASSESSMENT

Unless exempted, all students graduating in 2018 and beyond must take the next generation assessments as required by the state. All students graduating by 2017 must pass all portions of the state-mandated OGT tests as a requirement for graduation.

Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests help the staff determine instructional needs.

Classroom tests are given to assess student progress and assign grades. These are selected or prepared by teachers to assess student achievement on specific objectives.

Career and interest surveys may be given to identify particular areas of student interests or talent. These are often given by the guidance staff.

College entrance testing information can be obtained from the Guidance Office.

ATHLETICS

Philosophy of Old Fort Athletic Department

Athletic participation is a privilege and not a right. Utmost importance shall be the stress of good citizenship, behavior on and off the athletic field. In relation to citizenship we also exhibit good sportsmanship and good taste in our athletes, our coaches, our student body and our fans.

Winning is only one measure of success. Old Fort's Athletic Program will be measured by winning, but it must also be measured by such intangibles as improvement (both team and individual) in performance and the hard, but necessary, experience of losing with dignity.

Students that go out for a sport and quit after the first day of practice are not eligible to participate in another sport during the same season.

** To participate in an athletic activity the student and parent/guardian must have agreed to and signed a random drug testing release form.

Athletics Dual Participation

A student in grades 7-12 may participate in two sports during the same season providing a 'Dual Participation Agreement' form is completed and on file in the Principal's office. The form must be submitted within the first week of practice during the season. A form may be obtained from either the Principal or Athletic Director. Following are the guidelines for participation:

- State Tournament contest* in Primary Sport takes precedence over practice or any contest in Secondary Sport.
- State Tournament contest in Secondary Sport takes precedence over practice or regular-season contest in Primary Sport.
- Regular-season contest in Primary Sport takes precedence over practice or regular-season contest in Secondary Sport.
- Regular-season contest in Secondary Sport takes precedence over practice in Primary Sport.
- When a conflict occurs between scheduled practices, it will be the responsibility of the coaches to arrange for adequate practice for each Sport.
- Any unresolved conflicts between Sports will be resolved by the principal in consultation with the Athletic Director. The Principal's decision is final. The presence of continued unresolved conflicts may result in the cancellation of this agreement and the student-athlete becoming a full-time member of the Primary Sport.

* State Tournament contest is defined as Sectional, District, Regional, or State competition (students in 7th and 8th grades do not participate in State Tournaments).

Sportsmanship Code

We believe that good sportsmanship, like good character, is developed by conscious effort. We believe that this development is an important part of the school program. In that belief, the athlete will:

1. Consider visiting fans, officials, and athletic opponents as guests and will treat them as such.
2. Accept all decisions of officials.
3. Be modest in victory.
4. Strive to win fairly.
5. Support my team with enthusiasm
6. Remember that I represent my community, my school, as well as myself.
7. Respect and cooperate with my cheerleaders.
8. Respect the authority and judgment of the coach.
9. Not boo opponents or officials.
10. Not ridicule opposing players or schools.
11. Not criticize the players or coach for a defeat.

Scholastic Eligibility

See Academic Eligibility for Activities on pg. 15.

Student Participation and Physical Examination Form

All students in grades 7-12 must submit a completed student participation form and pass a physical examination before they may practice for a school sport. Check with your school principal or athletic director for the procedure to follow. Physical examination cards are valid for one calendar year.

Equipment

1. All equipment issued to players is to be worn only at practice sessions or scheduled games involving that particular sport.
2. Each athlete is responsible for all equipment issued. Keep it clean and in its best possible condition. Old Fort School is not responsible for lost or stolen property.
3. All athletic equipment and supplies are the legal property of the Board of Education. Therefore, school equipment may not be taken from the school building for the use of outside organizations or for personal use. The athletic director must grant any exception to this.
4. All equipment issued to an athlete by the coach or the school for a specific sport is to be returned at the end of that season in the same condition that it was issued. The athlete is responsible for all equipment issued to them and must pay for the equipment that is not returned.

Parent/Coaches Relationship

Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefits to the children. As parents, when your child becomes involved in our programs, you have a right to understand what expectations are placed on your child. This begins with a clear communication with the coach.

COMMUNICATION

This should be followed whenever a parent has a concern and needs to contact a school official.

Communication Expected From the Coach:

- Philosophy of the coach
- Location and times of practices and contests
- Requirements to earn a letter
- Discipline that results in a denial of your child's participation:

Communication Coaches Expect From Parents

- Concerns expressed directly to the coach
- Notification of any scheduling conflicts well in advance
- Specific concerns in regard to expectations or philosophy

Appropriate Concerns to Discuss With a Coach

- The treatment of your child, mentally and physically
- Ways to help your child improve
- Concerns about your child's behavior

Issues Not to be Discussed With the Coach

- Playing time
- Team strategy
- Play calling
- Other student athletes

PROCEDURES to follow if you have a concern with a coach

It is very difficult to accept that your child is not playing as much as you may hope. Coaches are professionals. They make judgment decisions on what they believe to be best for **all** athletes involved.

There are situations that may require a conference between parent and coach. These are to be encouraged. It is important that both parties involved have a clear

understanding of each others position. When a conference becomes necessary, the following procedure must be followed to promote a resolution to the issue of concern.

- Call and set-up an appointment with the coach. The school number is 419-992-4291.
- If the coach cannot be reached, call the athletic director and he will set-up the appointment for you.
- The reason for the meeting **must** be stated.
- Do not attempt to confront the coach before or after a practice or contest. These can be emotional times for both parent and coach. Meetings of this nature do not promote resolution.

The Next Step

What can a parent do if the meeting does not provide a satisfactory resolution? Although total agreement may not always be reached, most often such a meeting does afford the opportunity for productive discussion and better understanding. If the parent desires further communication, please follow the chain of command below.

Chain of Command

The Old Fort Local Schools in conjunction with the Athletic Department follows the chain of command listed below. We ask that you observe this line of communication if you elect to pursue any concern you may have in regard to the athletic programs.

1. Assistant Coach or Jr. High Coach (if applicable)
2. Head Coach
3. Athletic Director
4. Principal
5. Superintendent
6. Board of Education

ATHLETIC CODE

Athletes must conduct themselves in such a way as to reflect favorably on our school and community. All school regulations apply. The Student Conduct Code is in effect for all school and school-related activities including athletics whether at home or away.

The power of school authorities over athletes does not cease when they leave the school premises or when school is not in session. Violations of any athletic regulation outside of school hours or off school property, whether in season or out of season, including summer, shall subject the athlete to school discipline. **Athletes eighteen (18) years of age or older are not exempt from any school rules or regulations.**

Violations of any athletic regulation by a student will result in disciplinary action such as: assignment of additional work, social probation, parental contact, detention, counseling, denial of participation and/or removal from practice, games, or team. When a student has been denied the right to participate, the student will not be permitted to practice or play in the game. The athlete will be required to attend all games and sit on the team bench unless directed otherwise by the head coach.

Use of tobacco, alcohol, or other illegal drugs is strictly prohibited.

Any athlete violating this rule will be subject to the following:

- A. First Offense
 1. Denial of participation for 30% of all scheduled contests for that sport, effective following a hearing. The denial will carry over to the next sports activity until suspension is fulfilled.
- OR**
2. Athlete will be denied participation of 15% of all scheduled contests which are played if the athlete agrees to:
 - a. Receive professional assessment by an out of school agency and follow the appropriate treatment recommended by the evaluating agency. This alternative will be confirmed by a written agreement.
 - b. Proof of treatment will be submitted to the head coach and the athletic director.

- c. Student will be responsible for paying for said treatment and assessment.
- B. Second Offense – Denied participation for at least one calendar year.
- C. Third Offense – Loss of eligibility for the remainder of their high school years.
- D. In all denial of participation cases, the student will be afforded a hearing prior to the decision. A student and/or a parent has the right to appeal the denial of participation to the high school principal.

Students participating in athletics must vacate the building 15 minutes after the conclusion of an athletic event or practice.

Cheerleaders must follow all established rules and regulations in the Student Conduct Code, any rules established by the advisor and conduct themselves as described at the beginning of the violation section above.
