

SENTINEL – TECH CENTER – VANGUARD CAREER CENTERS

According to Ohio Revised Code 3327.01, Old Fort is required to provide transportation to Sentinel, Vanguard or the Tech Center. There are situations where it would be in the best interest of the student to provide his/her own transportation to Sentinel, Vanguard or the Tech Center.

Afternoon Sentinel students and afternoon Vanguard or Tech Center students who require bus transportation will be released from class at 11:02 A.M. to eat their lunch in the Cafe. The busses will depart for the Career Centers at 11:25 A.M. Students driving to Sentinel are expected to arrive there by 12:00 P.M.

Afternoon Vanguard or Tech Center students who provide their own transportation will be released from class at 11:12 A.M. (the end of 4th period).

Morning Sentinel students do not need to arrive at Old Fort until 12:33 P.M. Those students wishing to eat lunch at Old Fort may arrive after 12:03 P.M. – the beginning of high school lunch.

Vanguard and Tech Center students who ride the bus from their Career Center in the afternoon back to Old Fort will be dismissed from those classes at 2:40 P.M. in order to arrive back for Old Fort's 3:00 P.M. dismissal.

When Old Fort does provide transportation a student is required to attend Sentinel, Vanguard or the Tech Center. Any student not in attendance on a day on which Old Fort provides transportation will receive an unexcused absence from Sentinel, Vanguard, or the Tech Center.

REGULAR DAY: Each day that a Career Center is in session and no school has delayed, a bus will leave from Old Fort at 7:55 A.M. to transport morning or all day Career Center students to their appropriate school.

TWO-HOUR DELAY DAYS (Calamity/weather/or scheduled): Busses will run 2 hours later than the regular pick-up schedule. **All-day Vanguard and/or Tech Center students** choosing to use Old Fort transportation will be transported there by bus at 10:00 A.M.

WHEN OLD FORT IS ON A TWO-HOUR DELAY AND SENTINEL IS NOT: **Morning Sentinel students** are excused from attendance at Sentinel – a bus will not transport morning students to Sentinel. If a student wishes to attend Sentinel, he/she may attend by providing his/her own transportation – this same student may then ride the normal bus back to Old Fort for afternoon classes. Any student capable of finding suitable transportation to Sentinel on these days is encouraged to do so. Any morning Sentinel students riding a bus from home to Old Fort will be required to stay at Old Fort in study hall until lunch and then return to study hall for 5th period following lunch before beginning their normal Old Fort schedule.

CLOSURES: When Old Fort has a SCHEDULED closure and Sentinel, Vanguard or the Tech Center is open, busses will be provided at the regular times. When Old Fort does have the scheduled closure, students are required to come into the home-school office prior to that day to sign a sheet that indicates whether or not they will need transportation on that closure day.

On those days that Old Fort has a scheduled closure (such as teacher in-service or parent-teacher conferences) Old Fort will provide transportation if the student has requested that transportation by signing the sheet in the high school office. Any student not in attendance at Sentinel, Vanguard, or the Tech Center on those days will receive an unexcused absence form Sentinel, Vanguard, or the Tech Center.

When Old Fort is closed (due to calamity) and Old Fort does not provide transportation, and Sentinel, Vanguard or the Tech Center is open a student is not required to attend Sentinel, Vanguard or the Tech Center.
