Definitions of Terms:

"Harassment, Intimidation, or Bullying" means any intentional written, verbal, graphic, or physical act that a student or group of students exhibited toward another particular student more than once and the behavior both:

- A. causes mental or physical harm to the other student; and
- B. is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

"Harassment, Intimidating, or Bullying" also means electronically transmitted acts i.e., Internet, cell phone, personal digital assistance (PDA), or wireless hand-held device that a student has exhibited toward another particular student more than once and the behavior both:

- A. causes mental or physical harm to the other student/school personnel; and
- B. is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student/school personnel.

In evaluating whether conduct constitutes harassment, intimidation, or bullying, special attention should be paid to the words chosen or the actions taken, whether such conduct occurred in front of others or was communicated to others, how the perpetrator interacted with the victim, and the motivation, either admitted or appropriately inferred.

A school-sponsored activity shall mean any activity conducted on or off school-property (including school buses and other school-related vehicles) that is sponsored, recognized, or authorized by the State Board of Education.

Types of Conduct

Harassment, intimidation, or bullying can include many different behaviors including over intent to ridicule, humiliate, or intimidate another student or school personnel. Examples of conduct that could constitute prohibited behaviors include:

- A. physical violence and/or attacks;
- B. threats, taunts, and intimidation through words and/or gestures;
- C. extortion, damage, or stealing of money and/or possessions;
- D. exclusion from the peer group or spreading rumors; and,
- E. repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other web-based/on-line sites (also know as "cyber-bullying"), such as the following:

1. posting slurs on web sites where students congregate or on web logs (personal on-line journals or diaries);
2. sending abusive or threatening instant messages;
3. using camera phones to take embarrassing photographs of students and posting them on-line;
4. using web sites to circulate gossip and rumors to other students; and,
5. excluding others from an on-line group by falsely reporting them for inappropriate language to Internet Service Providers.

The following procedures shall be used for reporting, investigating, and resolving complaints of aggressive behavior and/or bullying.

Complaint Procedures

Building principals, assistant principals, and the Superintendent have the responsibility for conducting investigations concerning claims of aggressive behavior and/or bullying. The investigator(s) shall be a neutral party having had no involvement in the complaint presented.

Any student, employee or third party who has knowledge of conduct in violation of Policy 5517.01 or feels s/he has been a victim of aggressive behavior and/or bullying in violation of Policy 5517.01 is encouraged to immediately report his/her concerns.

Teachers and other school staff, who witness acts of harassment, intimidation, or bullying, as defined above, shall promptly notify the building principal and/or his/her designee of the event observed, and shall promptly file a written incident report concerning the events witnessed. Teachers and other school staff who receive student or parent reports of suspected harassment, intimidation, and bullying shall promptly notify the building principal and/or his/her designee of such report(s). If the report is a formal, written complaint, such complaint shall be forwarded promptly (no later than the next school day) to the building principal or his/her designee. If the report is an informal complaint by a student that is received by a teacher or other professional employee, s/he shall prepare a written report of the informal complaint which shall be promptly forwarded (no later than the next school day) to the building principal or his/her designee.

In addition to addressing both informal and formal complaints, school personnel are encouraged to address the issue of harassment, intimidation, or bullying in other interactions with students. School personnel may find opportunities to educate students about harassment, intimidation, and bullying and help eliminate such prohibited behaviors through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student/school personnel, even if such conduct does not meet the formal definition of "harassment, intimidation, or bullying."

All complaints will be promptly investigated in accordance with the following procedures:

- Step I Any complaints, allegations, or rumors of aggressive behavior and/or bullying shall be presented to the building principal or assistant principal or the Superintendent. Students may also report their concerns to teachers or counselors who will be responsible for notifying the appropriate administrator or Board of Education official. Complaints against the building principal shall be filed with the Superintendent. Complaints against the Superintendent shall be filed with the Board President. Information may be initially presented anonymously. All such information will be reduced to writing and will include the specific nature of the offense and corresponding dates. If the person filing the formal complaint is an adult, s/he must sign the charge affirming its veracity. If the person filing the formal complaint is a minor, s/he may either sign the charge or affirm its veracity before two (2) administrators.
- Step II The administrator/Board official receiving the complaint shall promptly investigate. Parents will be notified of the nature of any complaint involving their student. The administrator/Board official will arrange such meetings as may be necessary with all concerned parties within five (5) work days after receipt of the information or complaint. The parties will have an opportunity to submit evidence and a list of witnesses. All findings related to the complaint will be reduced to writing. The administrator/Board official conducting the investigation shall notify the complainant and parents as appropriate, **(in writing)**, when the investigation is concluded and a decision regarding disciplinary action, as warranted, is determined.
- A copy of the notification letter or the date and details of notification to the complainant, together with any other documentation related to the incident, including disciplinary action taken or recommended, shall be forwarded to the Superintendent.
- Step III If the complainant is not satisfied with the decision at Step II, s/he may submit a written appeal to the Superintendent or designee. Such appeal must be filed within ten (10) work days after receipt of the Step II decision. The Superintendent or designee will arrange such meetings with the complainant and other affected parties as deemed necessary to review and discuss the appeal. The Superintendent or designee shall provide a written decision to the complainant's appeal within ten (10) work days of the appeal being filed.

Documentation related to the incident, other than any discipline imposed or remedial action taken, will be maintained in a file separate from the student's education records or the employee's personnel file.

Publication of the Prohibition against Harassment, Intimidation, and Bullying

The prohibition against harassment, intimidation, or bullying shall be publicized in student handbooks and in District publications that set forth comprehensive rules, procedures and standards of conduct for students. Information regarding the policy shall be incorporated into employee training materials.

Retaliation/False Charges

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry related to a complaint of aggressive behavior and/or bullying is prohibited. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. False charges shall also be regarded as a serious offense and will result in disciplinary action or other appropriate sanctions. Suspected retaliation should be reported in the same manner as aggressive behavior and/or bullying.

Non-Disciplinary Interventions

When verified acts of harassment, intimidation or bullying are identified early and/or when such verified acts do not reasonably require a disciplinary response, students may be counseled as to the definition of harassment, intimidation, or bullying, its prohibition, and their duty to avoid any conduct that could be considered harassing, intimidating, or bullying.

Disciplinary Interventions

When acts of harassment, intimidation, and bullying are verified and a disciplinary response is warranted, students are subject to the full range of disciplinary consequences. Anonymous complaints that are not otherwise verified, however, shall not be the basis for disciplinary action.

In and out-of-school suspension may be imposed only after informing the accused perpetrator of the reasons for the proposed suspension and giving him/her an opportunity to explain the situation.

Expulsion may be imposed only after a hearing before the Board, a committee of the Board or an impartial hearing officer designated by the Board, in accordance with Board policy. This consequence shall be reserved for serious incidents of harassment, intimidation, or bullying and/or when past interventions have not been successful in eliminating prohibited behaviors.

Training

School personnel members are encouraged to address the issue of harassment, intimidation, and bullying in other interaction with students. School personnel may find opportunities to educate students about bullying and help eliminate bullying behavior through class discussions, counseling, and reinforcement of socially appropriate behavior. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating, or intimidating another student/school personnel, even if such conduct does not meet the formal definition of "harassment, intimidation, or bullying."

Police and Child Protective Services

Allegations of criminal misconduct and suspected child abuse will be reported to the appropriate law enforcement agency and/or to Child Protective Services (CPS), according to the prescribed timelines. The School District shall also investigate for the purpose of determining whether there has been a violation of District Policy, even if law enforcement or CPS officials are also investigating. All School District personnel shall cooperate with investigations by outside agencies.

In addition to, or instead of, filing a bullying, harassment, or intimidation complaint through this policy, a complainant may choose to exercise other options, including but not limited to filing a complaint with outside agencies or filing a private lawsuit. Nothing prohibits a complainant from seeking redress under other provisions of the Revised Code or law that may apply.
